

SPB BUILDING DESIGN®

Guideline Costs and Fee's for Extension Plans and Submission to Local Council for Approval

SPB BUILDING DESIGN Costs for Full Site Survey, Producing Full Plans to Council Approval and to act as the Agent in submitting all applications on the client's behalf including any Severn Trent Issues.

A) Single Storey Extension, Detached Outbuilding or garage conversion requiring Building Regulations only	£ 850.00 to 950.00
B) Single Storey Extension requiring a Prior Notification of a Larger Home Extension Application and Building Regulations	£ 950.00 to 1050.00
C) Single Storey Extension requiring Planning Permission and Building Regulations	£ 1150.00 to 1250.00
D) Two Storey Extension requiring Planning Permission and Building Regulations	£ 1275.00 to 1375.00
E) Loft Conversion requiring Building Regulations	£ 1275.00 to 1375.00

On a two storey extension if a single storey extension is done at the same time I only charge for the two storey. If a Loft Conversion is done at the same time as an extension I don't charge for each individual one we can negotiate a reduced fee as there is some overlapping design work.

(Fee's payable by client direct to Local Authority Council)

<u>Planning Application Fee to Local Authority Council</u>	£ 613.00
